

About Us

Welcome to Dynatex® where our primary goal is great products, great value and great service. We manufacture and package sealants, adhesives and maintenance products for the Automotive, Heavy Duty, Fastening, Industrial, Manufacturing and Marine Industries.

Since our start in 1971, in Elizabethtown, Kentucky, we have been Customer Driven. Our state-of-the-art facility and world class team provide first class service to our customers. Joining the Soudal® group in the summer of 2015 has only strengthened our ability to provide the best for our customers and has allowed us to develop a Global Footprint.

With our attention to Original Equipment specifications and Aftermarket front line needs we continue to offer high quality innovative and contemporary solutions for the professional technician and do it yourselfer. Our worldwide team of R&D professionals is always on the hunt for the next great idea while guaranteeing the quality of our current family of product solutions.

You have already chosen the right source for your sealant and adhesive needs. Explore our website, it's here to provide you with the information you need to find the right product for your application. Don't hesitate to contact our great customer service department if you have any questions.
